**It's getting colder...** and maybe the energy and cost of living crises haven't hit you yet... Maybe this winter will be milder, which may mean more storms? *Meanwhile*, let us do all we can to help others that need help, save energy and help the environment. Be safe, stay safe. (Ed.)

### Barningham 100 Club

This year as we have sold fewer than 100 shares, we plan to run the draw slightly differently to previous years. Whereas before, with 100 shares sold, then each share had a 3 in 100 chance of winning one of the three monthly prizes. We plan to keep that probability the same by drawing from 100 numbers each month and the level of prize money will remain the same for each prize, £25, £15 and £10. However, if one of the unsold shares is drawn, then that prize will be "not won" in that month. This has the same effect as the "0" on a roulette wheel when the house does not pay out. In order that shareholders have time to read, consider and choose either to play under these rules or to have their money returned, we have not drawn the numbers for August and September and will not do so until October 3<sup>rd</sup>. No cheques have been cashed as yet and will not be until after that date. If you are comfortable with this then there is nothing to do. If you want to ask any questions or reconsider your shares this year, then contact Stuart on 01833 621171 or [Stuart.godfrey30@gmail.com](mailto:Stuart.godfrey30@gmail.com). There is still of course still time to PAY and PLAY!!

BVH Committee.

### Barningham Defibrillator

As most people will be aware we have a defibrillator which is situated at the front of the village hall. I am in the process of reinstating the instructions on the front of the cabinet which seem to have faded away and thought that this would be a good time to make everyone aware of what to do if the defibrillator is needed.

The first thing you should do is to dial 999 and the ambulance responder will give you the code to open the cabinet.

If you have already dialled 999 from somewhere else and not been given the code it is 9999 and then press the tick, you will then be able to open the cabinet by pulling the front firmly towards you.

Please let me know if you have accessed the defibrillator as I need to either clean it or replace the pads if they have been used.

**Ann Orton (m: 07980 877760)**

*[It is sad to report that the defibrillator has recently been used. Ed.]*

### BIG thanks!!!

**ENERGY REBATE SCAM:** Action Fraud is warning the public about a sharp rise in reports relating to fake emails purporting to be from Ofgem, the independent energy regulator for Great Britain. The emails claim that the recipient is due a rebate payment as part of a government scheme and provides links for the recipient to follow in order to apply for the rebate. The links in the emails lead to malicious websites designed to steal personal and financial information. E-mail subject header "Claim your bill rebate now". Offenders are using the Ofgem brand logo and colours to make the emails look as authentic as possible. However, the emails ask recipients to "apply for an energy bill rebate before September 2020", which is what prompted many recipients to realise the emails weren't genuine.

**Paved area in front of the Fountain on Barningham Village Green**

As the then Village Hall Treasurer when the Fountain was last renovated (circa £9,000) I've been concerned at the increasing frequency of it being used as a parking place. The mason who did the work was clear that it was not designed to have vehicles on it and that it would deteriorate under that use. The stone flags are bedded on mortar and if these crack it is likely that water will wash out the mortar leading to further damage.

I recognise that this is the most congested part of the village, but it would be a shame if more expensive renovation becomes necessary.

I have asked to have this raised at the next Parish Meeting. In the meantime could we ask local residents to avoid parking on this flagged area, and to ask their visitors to respect this as well.
