Be safe Feel safe: Online guidance launched to help you stay safe from fire this winter

With fuel prices rising, many people may turn to alternative ways to heat their home, cook their food or manage other electrical appliances, and so this guidance provides advice on how best to avoid risks and stay safe. This includes:

- Heating your home using portable heaters, solid fuel heating, outdoor heating and electric blankets
- Cooking – specifically using disposable or portable equipment
- Safe use of electrical appliances such as washing machines, tumble dryers and dishwashers
- Appropriately using candles
- Fire detection and smoke alarms
- Signposting to support services

May You Have Enough !

May you have enough happiness to keep you happy.

Enough trials to keep you strong.

Enough sorrow to keep you human.

Enough hope to keep you thoughtful.

Enough failure to keep you humble.

Enough success to keep you eager.

Enough friends to give you comfort.

Enough faith and courage in yourself to banish depression.

Enough wealth to meet your daily needs.

Enough determination to make each day a better day than yesterday.

May you have enough.

WETHERIGGS Animal Rescue

The Friends of Wetheriggs coffee morning held recently at Newsham Village Hall raised the very substantial amount of £429, which will help the Animal Rescue Centre in its hour of need. Thanks to all who attended, to those who brought along beautiful, tasty cakes for sale on the day, to Thorpe Farm, Stonegate Farm Shop and the Rokeby Inn for generously providing some of the lovely raffle prizes and Newsham Village Hall for making the venue available. Wetheriggs still remains closed to visitors, so is unable to generate any income to look after the 500 animals in their care – they really are in desperate need of support, so please consider donating if you are able:
